Donor Recognition

All contributions at the levels list below will be recognized on a donor tree—a beautiful wall decoration with individual leaves for each donor. The base of the tree is bronze with each leaf in brushed silver with the donor's name engraved.

Donors at the two highest levels also have the opportunity to be recognized with a Donor Tree or a Donor Bench, to be planted or placed in one of the Centre Region parks, based on availability. The donor's name will be included on a permanent tree tag or a permanent bench plaque.
